.....

About the program

This group program promotes healthy living and aims to help patients integrate aspects of both psychological and physical recovery. It focuses on topics such as nutrition, diet, exercise, balanced lifestyle, motivation, goal setting and mindfulness.

.....

When is it held?

One full day a week, over five weeks. Morning tea and lunch is provided.

.....

How to join

Patients interested in attending this program will need a referral to a Psychiatrist with admission rights to Eden Private Hospital.

.....

How much does it cost?

Patients are admitted as a day patient and as such, can claim their attendance via their private health fund, DVA, NDIS or Home Care Packages. We ask that patients please discuss their options and confirm any applicable out-of-pocket excess or gap costs directly with Eden Private Hospital.

.....
